

TEACHING PHYSICIAN TIE IN FORM
Kennedy Krieger Institute

Date: 7/8/08 Time: 2:50

- I reviewed the note of Dr. PNP: Keller dated 7/8
- I agree with the documented findings and plan of care.
- I obtained history from the patient/parent/nanny
- I obtained history from the resident/clinical fellow/PNP.
- I was present with the resident/clinical fellow/PNP during the key portions of the service.
- I personally examined the patient.
- I discussed the plan of care with the resident/clinical fellow/PNP.
- I revised the resident's/clinical fellow/PNP's plan of care as follow:

Additional comments are:

Hayya had a seizure last p.m. and again this a.m.
Tenexetol level low @ 5.8. Will increase dose to
250mg BID. Neurocounsel ordered. EEG scheduled
for 7/9/08.
